SUBJECT: @ FRIESEN's Apartment

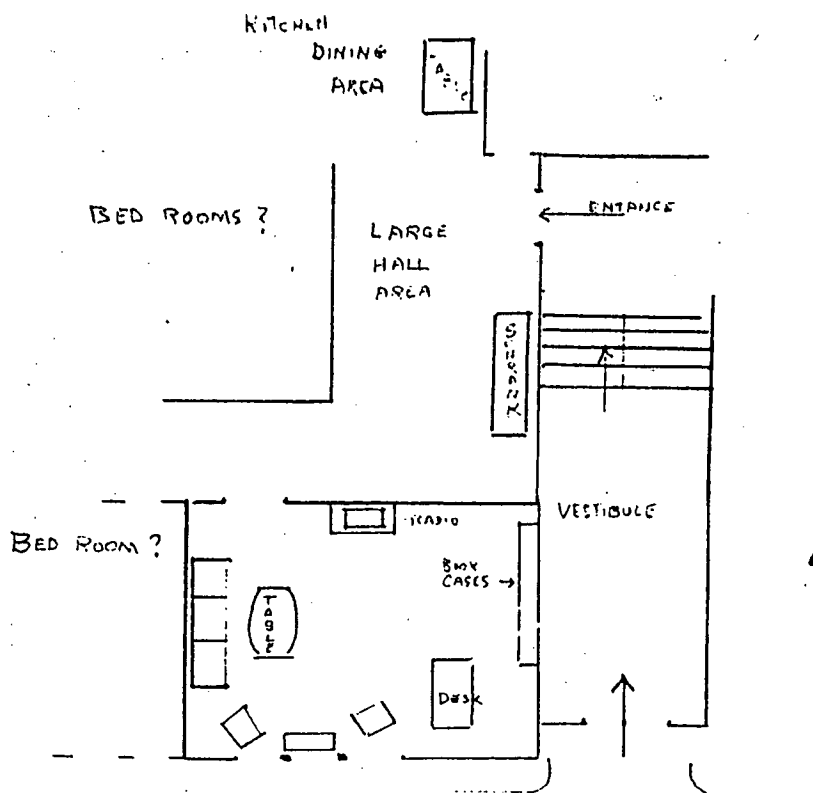

1. Attached is a sketch of @Friesen's apartment, what I remember of the floor plan.

2. [] described the place in some detail, I think, in his write-up on @FRIESEN just before he left POB. The main feature of the place is, of course, the living room. It measures perhaps 20 by 18 feet, possibly larger. I am not positive about the desk, but I think one is where I put it in the sketch.
